APICS Certified in Production and Inventory Management

Choose Expert Leadership and Guidance

As an APICS Education Partner, our certification prep course utilizes the APICS CPIM Learning System, giving you access to the most comprehensive, effective, and up-to-date exam preparation tools available.

Attending our course is the most effective way to prepare to pass the CPIM exams.

- Learn from an experienced instructor who provides expertise, insights, and one-on-one guidance.
- Network, share experiences, and discuss topics with a diverse group of internal operations professionals in your area.
- Stay on track to earn your certification with a structured learning experience.
- Take advantage of funding options, such as corporate tuition reimbursement.

Expert guidance for CPIM exam success.

The Solution for CPIM Exam Success

The APICS CPIM Learning System offers an all-in-one streamlined program specifically designed to condense the time it takes to prepare for the CPIM Part 1 and Part 2 exams.

Universally recognized entry-level supply chain training.

CPIM Part 1

Module 1: Basics of Supply Chain Management

Comprehensive supply chain training for internal operations.

CPIM Part 2

Module 1: Strategic Management of Resources

Module 2: Master Planning of Resources

Module 3: Detailed Scheduling and Planning

Module 4: Execution and Control of Operations

Study with reading materials that reflect the current CPIM Exam Content Manual (ECM) and provide an in-depth exploration of the content tested on the CPIM exams. The reading materials are embedded online, available in PDF download and in print.

These steps allow you to engage with interactive online study tools to create a personalized path to success. Access all the online study tools for one year.

Assess Your Current Knowledge

Complete the online Pretest to determine current knowledge and identify areas for improvement. Create a personal road to success with the SmartStudy plan.

Study Your Way to Success

Read the materials, review content videos, take the quizzes, and study the flashcards.

Practice for Your Exam with Confidence

Complete the Posttest and Practice Exam, which mimic the CPIM exams format, and review test-taking tips before you sit for your exams.

Enroll in the APICS Southwest Michigan Chapter's CPIM Learning System Part 2 course today by visiting <http://apicsswmi.com/meetinginfo.php?id=289&ts=1513193370>
